

Inventaire Classe nomade tablette Androïd
Janvier 2016

Contenu

Quantité	Composants	descriptif
1		<p>Tablette enseignant et stylet Objectif (pour y poser la lentille optique grossissante)</p> <p>Etiquette distinctive au dos</p>
8		Tablette apprenant et stylet

1	 A black 7-ports USB 2.0 hub with a cooling fan, a power adapter, and various USB cables. The hub is labeled 'UMETIS' and '7-PORTS USB 2.0 HUB'. It has seven USB ports labeled USB1 through USB7. A power adapter is connected to the hub, and several USB cables are plugged into the ports.	hub, alimentation et connectique
9	 A black USB cable with a standard USB-A connector on one end and a different connector on the other. The cable is coiled and has a black plastic sheath. The text 'SPEED CLASS 2.0 REVISION B' is visible on the cable.	Câble USB
1	 A black USB wall charger with two USB-A ports. It has a standard two-prong electrical plug and a black plastic housing. The ports are labeled 'USB 1' and 'USB 2'.	Chargeur individuel USB

1	 The image shows the retail packaging for the UMETIS NumCast video player. The box is white with a clear window on the left showing the black device. The right side of the box features the UMETIS logo (a stylized 'N' with a green and blue gradient) and the slogan 'Simply simple'. Below the logo, there are icons for various features: a film strip, a Wi-Fi symbol, and an HDMI symbol. The device itself is black with the UMETIS logo and 'NUMCAST' printed on it.	<p>Diffuseur vidéo NumCast et connectique</p>
1	 The image displays the QUMI video projector and its accessories. The main component is a black, rectangular video projector with the QUMI logo on the bottom right. Next to it is a silver remote control with a circular navigation pad and several function buttons. Below the projector is a black power supply unit with a power cord. To the right, there is a coiled black cable, likely for video or audio connection.	<p>Vidéo projecteur QUMI et télécommande en sacoche</p>

1		Connectique HDMI et mini HDMI pour video projecteur
1		Batterie QUMI et connectique « bleue » et « verte » en sacoche

9				Sonde thermique
9				Optique grossissant

1	 A photograph of a white, rectangular 3G Wi-Fi Router. The router has a black USB port on the front and the text "3G Wi-Fi Router" printed on it. A white USB cable is plugged into the port, and a white power cable is also visible. The router is sitting on a light-colored surface.	Routeur WiFi et connectique
1		Sacoche bleue (et mini sacoche bleue)
